

Aphasia Re-Connect

NEW Opportunities in your area!

Aphasia Re-Connect is a Charity working in **partnership** with people with **Aphasia**. Our **vision** is to bring people with Aphasia together, transforming lives by connecting people and creating opportunities to engage with life.

Our **values** are **inclusion**, **participation** and **opportunity**, and all our groups are **peer-led** (run by people with Aphasia) and **supported** by **trained staff** and **volunteers**.

We want to set up a **new opportunity** for people with Aphasia in **Greater London**. This could be a **Drop-in** group in your area, or a **Music, Art or Conversation** group.

We want to hear your ideas and thoughts:

What's **already on in your area?**

Is there a **gap for people with aphasia?**

Do you know **other people with Aphasia** who would like to start a new group?

Would **you** like to be involved?

Would it be good to have a group **close to where you live?**

We want to hear from you!
