Collecting donations

There are several ways that you can collect donations for us at your event:

You can use our **text donation platform** to ask everyone to **make their own direct donation:**

To make a one-off donation, text RECONNECT and the amount you would like to give (between £2-£20) to 70085 (e.g. text **RECONNECT 5** to **70085** to donate £5).

If you are holding a physical event, you could ask people to bring a **small cash donation**.

For a cashless or virtual event, it might be easier to ask people to make a **BACS transfer to you**.

You can then **collate the funds** you have raised, and **submit** your total to us **here:**

If you are collating donations from your friends/family, please **do not GiftAid** the donation.
