Songs That Move

The power of **music** with **poetry** to create little films in **your imagination**.

Bibi Heal
Soprano

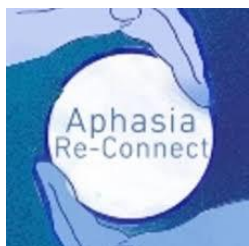

Stephen Barlow
Pianist

*'A star in the making' (The Times) 'musically **magnificent**' (Independent on Sunday)*

The research project

We worked with **8 people with aphasia**. We asked them what they wanted from the Songs that Move project.

This concert is **raising money** for **Aphasia Re-Connect**.

We are grateful to City, University of London for funding this project.
